Turn-Around Plan:

- Mr. Reyna reviewed the Campus Turnaround Plan with the SDMC. He explained that the Turnaround Plan has to be posted online for feedback for 30 days and will be used if we do not exit Improvement Required this year. It was uploaded to the SGA website today.
- The committee reviewed the plan, including Areas of Focus from the ESF Diagnostic.
- Questions poses: Is this doable? Is there something that was overlooked?
- The next step is to present this to the Board, gather feedback from the community, and then the Board will approve and submit to TEA.

Meeting is adjourned at: 4:38pm.
