<p>Principal Bellard opened the meeting at 3:30 p.m. by welcoming and thanking the committee members for their attendance and participation. Other members present were Debbra Currier, Loretta Carlisle, and Kimberly Steele. Principal Bellard stated the purpose of the meeting was to give updates and to give members an opportunity to provide input on the agenda items.</p> <p>The updates included the translation of the School Improvement Plan. A district approved translation vendor is translating the document. The SIP must be posted on our campus website by May 7, 2021 in both English and Spanish. She also reminded the committee that the plan is an ongoing document and is HB3 targets are consistently monitored by campus and district instructional leaders.</p> <p>Next, she reminded us that the Instructional Continuity and Communicable Disease Plans continue to govern our practices in the 2020-2021 and both address COVID-19 and serve as our guides. Principal Bellard shared confirmation and clarification from the district concerning the student-teacher ratio as it relates to the CDC guidelines. The ratio is based on room size not number of students attending class in person. The guidance provided is: 1) Physical Distancing of 3-6 feet apart and 2) PPE.</p> <p>The campus Data Driven Instruction Specialist has compiled and disaggregated the District Level Assessment (DLA) data. Ms. Lewis and Mrs. Vanegas are in the process of reviewing the spreadsheets and will share with the staff.</p> <p>Ms. Lewis (CTC) has already shared the 2021 STAAR testing calendar with the staff. Additionally, parents whose students are attending classes virtually have the option to test or not test. The students that have been attending classes in person are required to take the 2021 STAAR.</p> <p>Principal Bellard stressed the need for vertical content planning prior to the 2021-2022, asked the committee to help rally teachers to attend. Ms. Steele made suggestions about when teachers may be more agreeable to participate in the academic planning sessions. The need is to identify and align remediation, intervention and creating workstations and intervention activities for the upcoming school year.</p> <p>The final topic was the need to market our school is necessary. The leadership team has already involved the Wraparound Specialist to help in this area. The members discussed ideas for extra-curricular activities and resources that will attract parents to our school. The members will continue to brainstorm ideas for marketing our school and school-wide incentives.</p> <p>There were no other topics discussed. Principal Bellard thanked the committee and adjourned the meeting at 4:15 pm.</p>
