She reviewed the state of the school as it relates to TEA Rating. Due to the COVID-19 Pandemic, the campus would retain the previous 2019 State Rating. Garcia ES met State Standard, but the district has identified us for targeted support.

The committee members stated there were no revisions to SIP are necessary. So, the committee unanimously approved the 2020-2021 School Improvement Plan. The committee was reminded that the plan is a working document with monitoring checkpoints that allows for adjustments to be made as needed throughout the year.

There are four vacant teacher positions on the committee. Elections would take place to replace members who are no longer at Garcia ES.

The committee reviewed the Microsoft TEAMS changes and discussed the challenges of engaging students virtually.
