It was determined to provide incentives to ensure students are in school in a timely manner.2. TELPAS procedures were reviewed with committee and agreed upon. Committee praised the amount of effort it took to have a clear system in place as TELPAS will count towards accountability this year.3. MOCK STAAR – Teachers have a clear understanding of the systems that have been put in place to ensure we have a smooth testing day. Testing procedures were reviewed, and committee agreed upon them.4. Catapult – will continue to provide services to students in need. These students will be identified based on their mock STAAR and teacher recommendation.
