1. Meeting Purpose

Agenda Items were reviewed

2. School Improvement Plan Review

School Improvement plan was passed out and reviewed. Previous year's data was discussed, as well as goals, and actions steps to reach those goals.

3. SIP Q&A

Basic questions were brought up regarding last year's data as well as rewards and honors that the campus has received.

Questions about the ASSIST (Academic Student Support and Intervention System Team)

4. Enrollment and Snapshot update

Challenge has approximately 471 students enrolled. Project was met and exceeded by about 11 students.

5. PSAT

The PSAT is Wednesday, October 19th. Teacher training was this morning. Students need to arrive early to prepare for testing. Students took a practice PSAT on the first Friday that we returned from the summer. Teachers informed students of their data and have been integrating PSAT practice into their instruction.

6. Benchmarks, Purpose and Goals

The importance of tracking student data frequently was discussed as well as the importance of running the benchmarks through the EdPlan system.
