HB5 Self-Assessment Tool

April SDMC Minutes

We began the meeting with Welcome and Introductions. We discussed the success with UIL Academics this year and the Cheniere ribbon cutting this weekend. AP and EOC testing begins May 1 and will take place every day for two weeks straight. There will be AP tutorials every Saturday until testing is completely over.

The CASE/HB5 self-Assessment Tool needs to be completed. This is an auditable document. We reviewed the data from last year and discussed any changes in the spreadsheet. Ms. Miller will compile our worksheets and give to Ms. Hernandez to be entered before Friday May 12. The data needs to

There was a review the nine performance categories. We discussed any changes to the document as well as programs on campus.

We began to rate each performance category and got most of it done.

Everyone was asked to think about certain pieces and we would come together to finalize before the due date.
