#### Notes/Minutes:

The principal over the 2015-2016 HFWE and STAAR data and gave the committee a copy. The principal clarified that we did not have to implement the Turnaround Plan the committee had been working on, but that the school is still doing many components of the plan. Data conferences for teachers, mandatory interventions at the end of each day and having self-contained teachers Pre-K – 4<sup>th</sup> grades were all kept for the current school year based on the Turnaround Plan. The principal discussed the proposed goals in the SDMC. The committee approved the reading and math goals, as well as the strategies. These strategies were based on prior discussions related to the Turnaround Plan. The committee brought up discussions about attendance, which is also a goal on the SIP. The committee came up with the below incentives for students, in which ABC Dental will support:

- Class incentive: When classes get 100% attendance, students get to “build a sundae.” Once the sundae is built, that class gets a prize. Students will see the visual in the hallway and they only get to add to their sundae when their class gets 100% attendance. Ms. Hearne will let Ms. Foster know daily which classes had 100% attendance and Ms. Foster will update the “sundae” for that class.
- Daily acknowledgement: Highlight classrooms who had perfect attendance the day before via morning announcements.
- Weekly acknowledgement: Ms. Hearne will let Ms. Foster know the percentage rate by teacher and by grade level for the week before. Ms. Foster is responsible for updating the attendance board every Monday.

- Perfect attendance wall: Every 6 weeks, students' names will go on the wall showing they have perfect attendance. Those students get a prize. Ms. Hearne will pull the report every 6 weeks and Ms. Foster will put the names on the wall.

SDMC approved the School Improvement Plan and we all signed the signature page.

Next steps discussed included presenting the plan to the faculty at the next faculty meeting and getting the teachers' approval and to present the strategies at the next parent meeting and open house (presented by the principal).
