We ended 2021-2022 with 787, we have lost student since. Each grade level has 5 teachers except for PK. One teacher is on the hiring process which will allow to reduce the student count in kinder classes. We will owe money to the district if in case we do not meet our projection number.</p> <p>We are a 22:1 ratio but District is allotting and will not cap, a waiver will be submitted for those classes above 22 student count.</p>

Feedback/Reflection: Policy & Procedures Review Process	
Finance / Budget Update <ul style="list-style-type: none">• Title 1- Utilize for MCL Stipends• Technology-Small Purchases of Clever Touch	<p>Parent Community Engagement: Title 1 meeting was a success. We are seeing more parent involvement than we have seen since before the pandemic. The school community wants to be involved and we are excited to the support.</p> <p>MCL Stipends are to be paid through district and our Title 1 budget. We have set money aside to be able to make sure this happens. We have emailed about this but not heard anything back</p> <p>RISE Stipends will receive half by February 1st. Those who do not receive will receive a MEMO with an ability to appeal.</p> <p>Capital Outlay Budget: \$7,000 and opened a line in BIL Funds \$40,000: We were able to purchase 12 Clever Boards, this will allow for us to switch smart boards out slowly.</p>
