## HOME LANGUAGE SURVEY

19 TAC Chapter 89, Subchapter BB, §89.1215  
(Home Language Survey applicable ONLY if administered  
for students enrolling in prekindergarten through grade 12)

### TO BE COMPLETED BY PARENT OR GUARDIAN FOR STUDENTS ENROLLING IN PREKINDERGARTEN THROUGH GRADE 8 (OR BY STUDENT IN GRADES 9-12):

The state of Texas requires that the following information be completed for each student who enrolls in a Texas public school for the first time. It is the responsibility of the parent or guardian, not the school, to provide the language information requested by the questions below.

Dear Parent or Guardian:

To determine if your child would benefit from Bilingual or English as a Second Language program services, please answer the two questions below.

If either of your responses indicates the use of a language other than English, then the school district must conduct an assessment to determine how well your child communicates in English. This assessment information will be used to determine if Bilingual or English as a Second Language program services are appropriate and to inform instructional and program placement recommendations. Once your child is assessed, changes to the Home Language Survey responses are not permissible.

If you have questions about the purpose and use of the Home Language Survey, or you would like assistance in completing the form, please contact your school/district personnel.

For more information on the process that must be followed, please visit the following website:
