

### MEMBERSHIP REPORTING FOR 2017-2018

Membership figures should be shown by grade level (EE through 12). All students who are physically present in school on the first day are to be counted in their respective grade level, even though they may be in a self-contained special education class. After the first day of school, membership includes all students who have enrolled and attended at least one day during the current school year and who have not withdrawn. Students who enrolled, but have not attended at least one day should not be included in the membership count.
