

How to Assign the HISD Ancillary Curriculum to Your Class

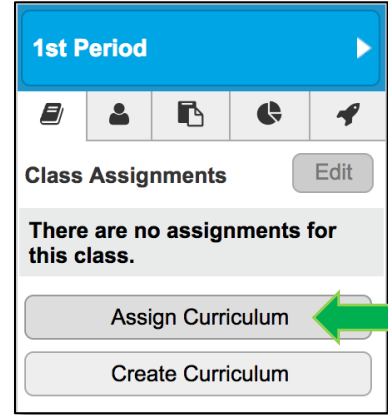

1. Click on **My Classes** on the left toolbar.

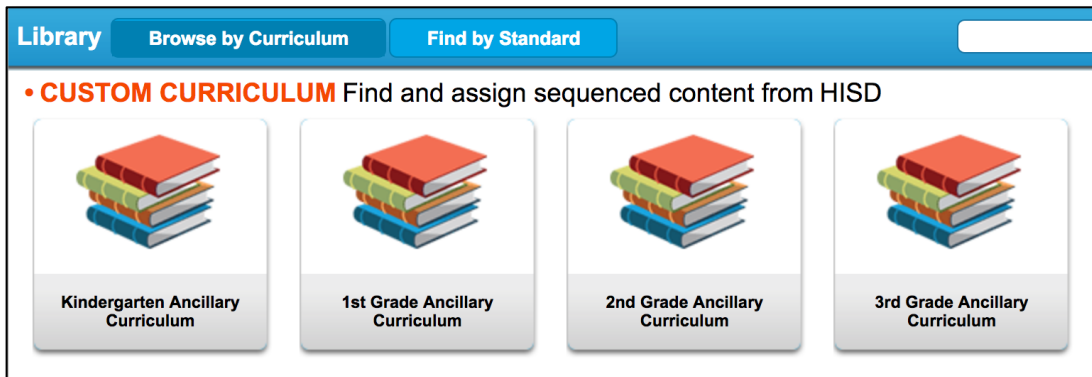

2. Select the class you want to work on.

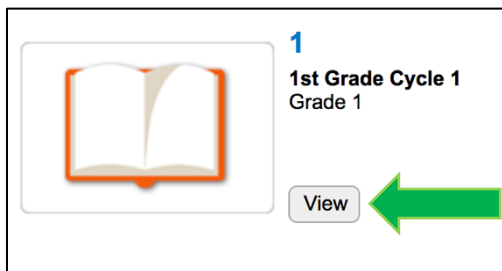

3. Click **Assign Curriculum**.

4. Select the grade level for your class from the **Custom Curriculum**.

5. Click the **View** button for the cycle you want to use.

6. Click the **Assign Unit** button under the description at the top.
