

World Toilet Day

Nov. 16, 2016

Hey did you know !!!

- * **World Toilet Day is to raise awareness for people that don't have a sanitary place to go.**
- * **Poor sanitation causes about 315,000 deaths of children per year.**
- * **Illnesses caused by lack of sanitation and poor hygiene practices is estimated to cost many countries up to 5% of GDP.**
- * **It is important so other people can have a clean place to go.**
- * **1 out 10 people have to defecate in the open.**
- * **That 2.4 billion people in the world don't have toilets.**
- * **Disease transmission at work mostly caused by poor sanitation and hygiene practices, causes 17% of all workplace deaths.**
