

# Sharpstown High School SDMC Agenda

January 30, 2018

- New Building
  - Finally all moved in
  - There are still several items that need to be addressed with the building
    - Projectors
    - Cameras
    - Theaters
    - Athletic Storage
- Old Building
  - In the process now of final salvage
  - Abatement will take several weeks
  - Demolition will take place after abatement
- Budget
  - District needs to cut \$200 million from next year's budget
  - District is moving to an FTE model
- Uniforms
  - The superintendent suspended uniforms for the first semester due to the hurricane
  - If we want to implement uniforms again, we need to go through the process of forming a committee that receive input from parents and students before making the decision to implement uniforms.
