

# Sharpstown High School SDMC Agenda

**October 19, 2021**

Mr. De Leon welcomed everyone to the meeting and gave an overview of the new school year.

Enrollment is 1739

Class size is similar to previous years with the largest classes being in the mid 30s.

We hired an additional Art teacher and filled our vacant Choir teacher position.

The only vacancy is for 12<sup>th</sup> grade English

Mr. De Leon reviewed accountability information. Even though schools were not rated, we did get results. These results are based on the students that tested and not all students tested. Held steady for Biology, English I & II, Slight drop for Algebra I, and US History, Goal for this school year is a solid B rating

The 2021 - 2022 budget was reviewed. We have been provided adequate funding to continue all our programs and even increased our CTE Agriculture and AV Arts programs. We are also able to perform some needed renovations to the playing fields, renovate some extended learning areas and convert them into classrooms.

The COVID reports were reviewed and seemed to indicate that Sharpstown was impacted by student and teacher cases, but not as many as on other campuses.

There were items discussed that were brought up by members regarding:

Club Fairs to get students involved in clubs

Attendance

Restrooms

Detention

Dress Code
