

**ASKEW ELEMENTARY SCHOOL**  
**SDMC Minutes**  
**January 11, 2018**

**House Bill 22 Overview**

For the '18-'19 school year, our school rating system will change to an A-F rating system from the current Met/Not Met Standard rating system. HISD had to pay over \$200 million back so we are looking at budget cuts for next school year. HISD is also reviewing the possibility of cutting magnet programs. Campuses will be updated at a later date.

**Peer Observations**

Sign Up Genius is available for teachers to sign up for peer observations. So far, only 2 have signed up.

**School Start/End Times 2018-2019**

HISD will standardize school hours for the 2018-2019 school year. All elementary school hours will be from 7:30-2:50 pm. Teacher's schedule will be from 7:15-3:00 pm

**Feedback/Concerns**

- **Kinder** asked about the playground being re-mulched. We have put in a work order and are waiting for grounds to come out.
- **2nd Grade** asked if we were having summer school. Askew will hold summer school, but we do not know where at this time.
- **3<sup>rd</sup> Grade** asked to have administrators on duty as scheduled in the cafeteria and if any changes have been made to the recess schedule. No changes have been made at this time.
- **PTO** asked what needs we might have for the new building. Most likely we will need help replacing technology, especially laptop carts. Construction is still on schedule and we are to move out of the old building by June 15<sup>th</sup>. We are working with SPARK for the new playground.
