Meeting called to order at 3:37 P.M.

1. Safety and Security
 - a. Fire drill will be held in December, will be obstructed.
 - b. LockdownMagnet.com – PTO is investigating the purchase of magnets that will assist in locking classroom doors quickly in the event of a lockdown.
 - c. Lockdown drill after we get the magnets.
2. Attendance – attendance totals for year to date were given. 97.5% current attendance to date.
3. Curriculum/Staff Development
 - a. Tutorials will officially start January 16.
 - b. Testing dates December 11-19, please keep this mind as you plan and move about the building.
 - c. Items due 12/22: lesson plans, bulletin boards, PYP documentation, RTI, GT updates/certification, dyslexia folders
4. Events: Winter Program, tomorrow at Chavez High School
5. Comments or concerns:
 - a. CPI trained staff members: administrators, counselor, special education teachers, Coach Martinez. Procedure should be to push the office call button, alert teacher next door to watch classes, teacher follows student who has eloped, and then those with CPI training will intervene. Administrative team will write policy.
 - b. Flags out front – concern that flags are tattered and not taken down daily after school. We also need flags in the cafeteria. Mr. Pantuliano will train safety patrol to properly take down and fold flags.
 - c. Restroom water sensors have been repaired.
 - d. Uniforms will become mandatory after MLK Day (January 15).
 - e. UIL and Robotics competition both this coming Saturday.
 - f. Patterson will be recognized by the Board on Thursday as a recognized inclusion campus.
 - g. PIEMS snapshot data shows our low SES changed from 90% to 83%. This will affect future budgets.
