# JOHN E. CODWELL ELEMENTARY

5225 Tavenor Lane

Houston, Texas 77048

Ms. K. Love, Principal

## SDMC Meeting

### Minutes

March 21, 2018

*Principal Love welcomed everyone to the meeting at 4:19p.m. Those members in attendance are reflected on the sign in sheet. Reading of February 06, 2018 notes were read and all agreed.*

- The group was informed that the Welcoming Walk Through is set for April 5, 2018...this will help Codwell reach Gold Status as part of the ACE Afterschool program.
- Teacher Appreciation will take place the 2<sup>nd</sup> week of May. Plans are in motion, but not finalized.
- Ms. Love shared with the members that the District will divide the Magnet Program into four (4) Quads-(North, South, East and West). Our school will be part of the Worthing, Sterling, Bellaire and Westbury group. The Quad prototype has not been set in stone. It will however change funding for Codwell as the new FTE will fund three (3) positions and the Magnet will fund one (1) more, which will satisfy our need for Core Enrichment Professors for next year.
- Summer School will be held here at Codwell. We will be part of a HUB Campus with Frost Elementary. Frost will occupy one side of the building and we will use the other side along with ACE 21<sup>st</sup> Century. Everything will function separately- from entering the building, to lunch times, and exiting

the building. Codwell will also participate in a Summer Enrichment Program that is funded by the Barbara Bush Foundation. Way to go Codwell! We will also get a Garden.

- Finally, Mrs. Roberts shared that 21<sup>st</sup> Century will operate this summer with a limited number of scholars. Their dismissal time will be earlier than Codwell's. They will work with Urban Harvest Gardens to come out and begin lessons on gardening.

Ms. Love thanked everyone for coming as there was no further business to discuss. The meeting ended at 5:19p.m.
