Dear Scholar,

We are pleased that you have chosen Heights High School. We encourage you to continue reading during the summer months. Studies have shown that if you read frequently you are far more likely to have an expansive vocabulary, extensive background knowledge, stronger reading comprehension, and are more likely to become a lifelong reader. Heights High School’s purpose in summer reading includes fostering avid readers, promoting just right books, and helping you to develop your identity through reading. To support a successful reading program, the following pages cover:

- the summer reading program directions and a list of book recommendations in various genres,
- directions for completing the readings, the essay and
- a parent letter regarding the book selections’ subject matters

We suggest reading at least one book, but we hope that you will read many more. Remember, the more books you read, the more bonus points you can accumulate. As you read, we encourage you to highlight and/or annotate your thinking.

THE ESSAY ASSIGNMENT FOR BONUS POINTS WILL BE ACCEPTED ANYTIME BEFORE THE END OF CYCLE ONE ONLY.

If you have any questions, please feel free to contact Ms. Martinez at nmartin3@houstonisd.org or CCROSKER@houstonisd.org

Happy Reading!

Dear Parents/Guardians,

It is the goal of English II to provide students with every opportunity to experience a wide range of fiction, nonfiction, and poetry, as well as opportunities to experience visual and digital text related to content area studies. Teachers choose certain works for students to read or view because of their literary merit, their contribution to the subject of study, or because they are a part of the district or state curriculum.

We are sensitive to the values of the many different families that make up our school community, and we know that not all texts are right for all students. Thus, we have a policy of alternative selections, meaning that if you, as a parent or guardian, or your child feels that a text is in violation of your family’s standards, you have the right to request alternative selections. Your child will be required to complete assignments comparable to those of the other students, and there will be no penalty whatsoever for students who choose different selections.

We encourage your participation in your child’s education and look forward to working together as all our students experience the rewards of reading.

Respectfully,

English II Teachers
