## PREPARE FOR COLLEGE AND CAREER

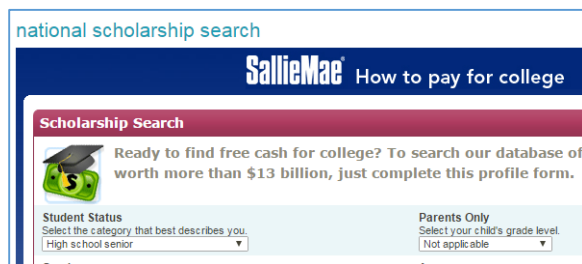

### WHAT IS NAVIANCE?

Naviance puts HISD students and families in grades 6-12 in control of the college process. You can . . .

Explore colleges and track applications

Apply to local and national scholarships

- Learn about upcoming campus and district college events and college fairs
- Learn about career fields with Roadtrip Nation and Career Assessments
- Build a resume
- Request transcripts for colleges

### HOW DO I ACCESS NAVIANCE?

To find the website for your school, visit [houstonisd.org/collegereadiness](http://houstonisd.org/collegereadiness) and click on Naviance in the left navigation.

### Student Login

The first time a student logs into Naviance, the username is the student's HISD student ID and the password is the student's eight-digit date of birth with no slashes or dashes.

### Parent Login

The first time a parent logs into Naviance, a registration code is required. To obtain a registration code, please visit the counselor or college access coordinator at your student's school.

### HOW CAN I LEARN MORE ABOUT NAVIANCE?

In order to fully utilize the Naviance, the HISD College Readiness Department has created video tutorials of the many features.

The videos can be found at [houstonisd.org/collegereadiness](http://houstonisd.org/collegereadiness). Reach out to your school's counselor or College Access Coordinator if you need additional information or help.
