SDMC Minutes

Thursday, January 26, 2022

- **Welcome**
- **Budget Update: ~~-\$11,000~~**
 - The principal explained that the campus had a deficit of \$11K dollars. The amount is not significant enough to make an impact on the school plans and we will be able to absorb the deficit.
- **Attendance**
 - The school has improved attendance from 90.5 to 92.54 during this period when compared to last school year. Truancy and court referrals are helping with attendance. We will continue our efforts to improve our attendance.
- **Master Schedule:**
 - Example from a comparable MS (double block, planning and PLC every day). Mr. Olaizola explained that it will be beneficial to have a master schedule that allows for daily planning and that we will be waiting for the new budget in the Spring to see what options the campus has.

Questions and Answers

The committee inquired about the news schedule and budget. Mr. Olaizola stated that the situation with the district is very fluid and due the looming rumors about TEA HISD Takeover it is difficult to make final decisions. However, the enrollment projection will indeed affect the budget.
