SDMC Minutes

Wednesday, June 1, 2023

- **Meeting started @ 10:30 AM**
- **Master Schedule**
 - The principal presented the draft of the 23-24 master schedule. The changes are due reduction in staff. There will be one teacher per subject, per grade, plus 4 core teachers that will teach the advanced students in all grade levels (similar to a Vanguard program).
 - The principal also explained the bell schedule, putting emphasis on the HB4545 time embedded in 4th period. He mentioned that students will be enrolled in remedial classes. Math and ELA intervention will be a classroom with assigned students that can be updated after the first semester interim test.
 - The campus is expecting some vacancies during the summer based on conversations with teachers.
- **Rise Updates**
 - Due to the new Superintendent appointment the principal stated that he will be communicating with staff as soon as he gets updates from the new district leaders.
- **Questions and Answers**
 - The members did not have questions and we all were waiting for new HISD guidelines.
