Teachers will be modeling High Order Thinking skills for scholars to incorporate them in their discourse (oral and written) - Campus Safety - As adults and professionals we are accountable for the safety of our scholars at all times. We have been having many scholars not in the class they should be in or absent from multiple classes and no communication to admin or parents. In addition many scholars are left in classes/areas unattended. Campus safety expectations are as following: <ul style="list-style-type: none"> ● <i>No scholars should be unattended. If you need coverage please ask a partner teacher or contact administration.</i> ● <i>No scholars are allowed to be in any class that they have not gotten approval from the accountable teacher.</i>

- *If scholars are not in class for more than 3 days, please contact attendance, counselors and reach out to parents.*
- *Arrive on time to duty before, during (transitions), and after school actively monitoring.*

Please acknowledge you understand by completing the following form [Safety Acknowledgement Form](#)

- 22-23 Transfer Policy Plan: We are the school of choice for parents and families that are committed to excellence in the Arts and Academics. We do not want Marshall to be a dumping ground. We want scholars that want to meet Marshall expectations.
- 22-23 FTE: Full time equivalent. The scholars we have will determine the number of teachers (positions) we get. We are also a Title 1 schoolwide school, so we will also get funding from different sources. District is moving towards the Full time equivalent model.
