### **SDMC/Safety Minutes: February 7, 2019**

#### **1. Safety & Security**

*Ms. Elizondo shared results of district intruder drill. Special thanks were given to staff members for following safety protocols and stopping intruder. The campus passed the intruder drill inspection. Areas in need of attention include updating sheet (TAB 3) in the Emergency Book and copying page 22(Emergency Book) and placing that sheet under every telephone in the campus. Administrative team check for completion this week.*

#### **2. Budget Update**

*The committee discussed current budget, instructional requests, and preliminary budget for the 2019 -2020 school year. Discussions also included programs, staffing, enrichment, technology, and instructional needs for staff.*

#### **3. 2019-2020 School Staffing**

*Ms. Elizondo shared that with budget cuts for next school year, it is likely that positions will have to be closed. Ms. Elizondo shared district policy for closing positions and the committee discussed the affects and changes that may occur. The committee will reconvene to prioritize spending for the 2019 – 2020 school year.*

#### **4. School Improvement Plan**

*The committee discussed student performance and growth. Ms. Elizondo will be sharing campus data with staff Friday, February 15<sup>th</sup>. Scholars are demonstrating growth across content areas and grade levels. Staff members are encouraged to keep challenging and motivating to soar. Teams (K-2 & 3-5) will be creating criteria for earning incentives and rewards.*

#### **5. TADS**

*Committee members viewed the PowerPoint for M-TADS and completed the M-TADS survey. Survey results were submitted to the district.*

#### **6. School Survey**

*A school survey will be sent out to parents Thursday, February 14, to determine the effectiveness of academic growth, parental involvement, customer service, safety, curriculum and instruction. Staff members will be able to submit questions that would like included in the survey.*

#### **7. Questions & Concerns**

*The committee will address questions and concerns related to safety, professional development, budget, programs, proposals, and events.*
