Magnet Update – 182 Magnet applications submitted of which 72 are completed and confirmed. The Magnet goal is 100.

New Partnerships – Potential new partner is Collaborate Architecture Firm. Collaborate has committed to providing internships for 2-3 graduating Seniors. Currently we are working on a

Memorandum of Understanding (MOU). Methodist Hospital is hosting a Job Fair for our Health Science graduating Seniors. We will continue to secure Habitat for Humanity as a partner.

We are reviewing established MOUs for renewal.

CTE HUB – Jones Futures Academy is a proposed campus to serve as a fabrication makerspace lab. The lab would consist of eight 3-D printers, two laser cutters, two tabletop CNC machines, and a vinyl cutter. Schools in the South Area (Elementary, Middle, High School) will have access to the lab. Additionally, Jones will be able to brand the lab and recruit students.

Certification Updates – 17 Health Science certifications completed and 23 Architecture & Construction certifications completed.

Meeting adjourned.
