

# SDMC – February 15, 2018

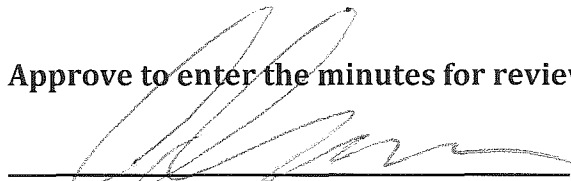

Attended:

|            |             |
|------------|-------------|
| C.Carnes   | M.Gutierrez |
| R.McCoy    | F.Perez     |
| I.Soto     | A.Saucillo  |
| A.Castillo |             |

## ***Minutes:***

- Review of the FTE versions given out per district. Discussions around what programs would be the first to end based on lower funding for the 2018-2019 school year.
- Review of STAAR DLA Campus data
- Discussion of current tutor documentation of academic progress and possible ways to increase efficiency.
- Discussed afterschool tutorials for advanced students aiming for Level 3 performance on assessments
- Discussed the expectation of field experiences and IB planners...reflected on executed field experiences and if how students were impacted academically
