

SDMC – September 14, 2017

Attended:

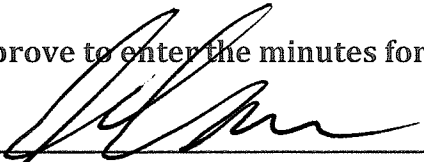

C.Carnes
M.Gutierrez
M.Vizi
A.Saucillo

I.Soto
F.Perez

Minutes:

- Discussion of current school finances and programmatic needs
- Review of STAAR snapshot Campus data
- Discussion of what addition strategies would increase academic performance of students and review of current programs.
 - Tutoring program was discussed with various logistical options ..2 tutors were added per grade level, seem to have a positive, but minimal effect on assessment data.
 - Husky camp will switch to target the advanced students providing enrichment to push level III performance
 - Additional focus on TEKS, assessment preparations, and planning
- Discussed the expectation of field experiences and IB planners...reviewed 2017 trips and upcoming trip through May
- Reviewed IB planners and execution. Reflected on the inquiry processes and project based activities.
- Reviewed campus discipline data and made few adjustments for the remainder of the year.
