- Jeshawn Robinson, Science Teacher, Hartman MS

## MEETING LOCATION

Building: Hartman Middle School

Room: Library

## MEETING START

Meeting Start Time: 5:00 pm

Meeting Scribe: Felicitie Fisher

### • SCHOOL WIDE DISCUSSIONS

- Mr. Johnson introduced and welcomed the new SDMC members. He also explained how the SDMC works and the meeting schedule.
- The 2018-2019 budget was discussed in detail. Mr. Johnson explained that we were short (74 students) of our projected enrollment and how much money that equaled to the campus losing. He stressed that student attendance needs to be paramount this year. 246,228.00 dollars need to be repaid because of the decrease in attendance. Additionally, two teaching positions were closed. The budget for next school year will be revisited in the spring.
- The school improvement plan (SIP) was reviewed. Mr. Johnson explained what it was and how important it drives the daily operations of the school. The committee had input to discuss what changes need to be made and what aspects should remain. After reviewing and offering suggestions/changes the SIP was accepted by the committee.
- The committee discussed school wide discipline and uniform changes. Incentives were also discussed for students who show good behavior. The committee suggested that a discipline committee be formed to include parents and students.
- Ms. Fisher explained the before/after school tutorials will begin in the spring due to lack of funds and how the teachers can still volunteer to tutor their students during lunch or after school. She also discussed that we did not meet the lunch application quota and how that greatly affects school funding. The committee also discussed ways to get in the lunch

applications so that the school can continue to receive money to enhance all academic endeavors.

- The testing calendar was presented and discussed in detail. The school will have common assessments for all content areas every 2 weeks, district snapshot assessments and STAAR testing will occur in the spring. New testing will include TELPAS Alt and NAEP (USDE).

- **Questions/Concerns**

None

## **MEETING END**

Meeting End Time: 6:00 pm

## **NEXT MEETING**
