Champion SDMC Minutes Re-Cap

To: Benjamin Hernandez

Dates: October 28, 2022

Attendees:

- Gerrol Johnson
- Lakesha Darden
- Cristofer Padilla
- April Ortiz
- Eva Calvillo

Safety:

The meeting began with a brief introduction of the members. Ms. April Ortiz is the designated translator. I started with school safety. Mr. Perkins removed the towering bushes and weeds on both sides of the teacher's parking lot. Now the teachers have a clear line of sight when entering and exiting their vehicles.

SDMC Parent and teacher recruitment:

I asked Ms. April Ortiz to help recruit committed parents to join the shared decision-making committee. I also asked Lakesha Darden to recruit teachers that would be interested in joining the shared decision committee

POSSIP:

I reviewed the cool, medium, and hot feedback from parents regarding the school. There were several parents that left some supportive comments about their feelings of Hartman Middle School. One left a message about bullying, but they did not leave a name.

Coffee with the Principal:

One suggestion from Ms. April Ortiz was to provide parents with an anti-bullying presentation with strategies to support students and parents.

Gardening Club Sponsor:

The team was exploring ways to grow food that represent the culture of the community. This opportunity will be presented at the next Coffee with the Principal and PTO Meeting.

Parent Title-1 Conference/Frisco Texas:

There will be at least two parents that will represent HMS at the Parent Title -1 Conference. The parents will be provided lodging and gas reimbursement.

ESL-Parent Classes:

Hartman Middle School has secured a vendor who will provide ESL instruction to parents. A survey will be sent to parents to determine the days of the week that will be most beneficial.
