Major figures to attend HISD Foundation Public Education Matters Benefit Dinner

National advocates to highlight the importance of public education

What: The Houston Independent School District Foundation, a non-profit organization that raises funds to support HISD's strategic initiatives, is hosting the Public Education Matters Benefit Dinner in lieu of the State of the Schools Luncheon. The event will highlight the importance of community investment in public education and focus on the social and economic impact that results when public school students receive a quality education.

The evening program includes a one-on-one conversation with HISD Interim Superintendent Dr. Grenita Lathan and John Quiñones, Host of ABC's *What Would You Do?* It will be followed by a "Fireside Chat" moderated by Quiñones with distinguished panelists, featuring Dr. Lathan, CEO of Teach for America Elisa Villanueva Beard, and Education Advocate and Founder of Harlem Children's Zone Geoffrey Canada.

Funds raised at the benefit dinner will go directly to the HISD Foundation to support strategic student-centered initiatives, like the Innovation Fund, which financially supports community gardens, robotics, coding and literacy programs.
