Shared Decision Making

The Campus Intervention Team (CIT) is based on the Shared Decision-Making model (SDM) designed to establish, monitor, and evaluate goals for budgeting, staffing, curriculum, planning, school organization, staffing patterns, and staff development. This model is aligned to state legislation and HISD board policy. A Professional Service Provider (PSP), and a School Support Officer or Lead Principal is a member of the Campus Intervention Team for schools under state Improvement Required sanctions or federal sanctions as a Focus or Priority campus. Teacher Development Specialists and other district level personnel can serve as members of the CIT according to the campus needs. The intention of the SDMC is to pull together our community in a constructive, organized, and unified body to enhance the education of all students. The CIT is responsible for development, implementation, and monitoring of the School Improvement Plan, monitoring of student performance, and determination of student interventions and support service.
