Dear Parent:

Michael E. DeBakey High School for Health Professions is sharing this information about the district and your child's campus with you as part of its obligations under the federal Every Student Succeeds Act of 2015 (ESSA).

Federal Report Cards for the state, the district, and each of the district's campuses are now available on the Texas Education Agency's website at:

<https://rptsvr1.tea.texas.gov/perfreport/frc/2018/srch.html> .

Information on these report cards includes:

- **Part I: Student Achievement by Proficiency Level** - Provides the State of Texas Assessment of Academic Readiness (STAAR) performance and participation results for each subject area and grade level tested.

Participation reports also include reports of the participation of Children with Individualized Education Plans (IEPs) by assessment type.

- **Part II: Student Achievement and State Academic Annual Measurable Objectives (AMOs)** - Provides the AMO outcomes and data table of STAAR performance results for each subject area tested in the accountability subset. This section also includes participation rates on STAAR for reading/English and mathematics, use of alternative assessments, plus four-year and five-year graduation rates.
- **Part III: Priority and Focus Schools** - Provides information on priority schools and focus schools. Priority schools are the lowest 5% of Title I-served campuses based on performance in reading and mathematics and graduation rates. Focus schools are 10% of Title I served campuses, not already identified as priority schools, that have the widest gaps between student group performance and safeguard targets.
- **Part IV: Teacher Quality Data** - Provides information on teacher quality in three parts:

Part A – Percent of Teachers by Highest Degree Held – Professional qualifications of all public elementary and secondary teachers in Texas

Part B and C – Teachers with Emergency/Provisional Credentials, Low Poverty/High Poverty Summary Reports – Percentage of all public elementary and secondary school

teachers teaching with emergency or provisional credentials, disaggregated by high-poverty compared to low-poverty schools.
