

SDMC Quarter 1 Agenda

December 8, 2021

- Hiring update
 - The SDMC discussed the current vacancies in 2nd and 3rd and the plan to fill that vacancy as soon as possible.
 - Staff morale and morale boosters:
 - We discussed staff morale during this especially challenging year (again). Teachers gave suggestions for morale boosters.
- Budget update
 - We discussed that we made projection which means our general funds are secure
 - we reviewed how we are spending ESSER money on interventions (during school with interventionists and Saturdays with teachers)
- Tutorials
 - The SDMC discussed the possibility of hosting after-school and/or Saturday tutorials during the spring semester.
 - Some teachers expressed concern that teachers are burned out and adding tutorials to their workload might be too much. Other teachers expressed that they would like to do tutorials and suggested that it could be made optional for teachers to participate.
 - We discussed opening up the teacher pool to lower grade teachers to get more teachers.
