Title 1 Parent and Family Engagement Policy

2023-2024

A strong partnership between the school and home is essential if a quality educational program is to be provided to all students. Shadydale Elementary is dedicated to the philosophy that parent involvement is integral to the success of each student. For this reason, parents are actively recruited as our partners for success.

Shadydale Elementary agrees to implement the following requirements as outlined by ESSA Section 1116:

A. ANNUAL TITLE I MEETING

Shadydale Elementary will conduct two annual meetings, one in the fall and one in the spring, to inform parents of the school's participation in the Title I program and to explain the requirements of the program and parents' rights. In September, a meeting with the principal is held to introduce parents to Shadydale Elementary and its School-wide Title I program. Parents are informed of the school conferences, the School-Parent Compact, and the Parent and Family Engagement Policy.

B. FLEXIBLE NUMBER OF MEETINGS

- Shadydale Elementary will conduct the 4 required Title I parent meetings and will include 4 alternate meeting dates to better serve parents' availability to attend.
- Parent meetings and teacher conferences can also be held at different times during the day, depending on the teacher's availability.
- Bi-Monthly meetings with the Principal (known as Coffee with the Principal)
- Information on meeting dates and how to attend will be posted via our school website and sent to parents via social media (i.e. Remind, Facebook, and Instagram.).

C. COMMUNICATION

- Shadydale will provide current information via the school website, social media, progress reports, report cards, and the School Messenger call-out system.
- Shadydale will provide parents with a description and explanation of the curriculum used, the forms of academic assessment used to measure student progress and proficiency levels, and levels students are expected to meet in the form of the STAAR, Benchmark scores, and District Assessments.
- Shadydale will aid in understanding the state's academic content standards, the state student achievement standards, and the local assessments using teachers, individual guidance counselors, technology, and training and necessary.
- Parents can monitor their child's progress and improve their achievement through HISD Connect/Parent Portal. Materials and training is provided for parents to help their children at parent-teacher meetings and events such as Coffee with the Principal, FACE parent workshops, and other parent meetings with specific topics from outside agencies.
- Shadydale will ensure that information relating to school meetings, parent programs, and associated activities will be sent to parents in a form and language that parents can understand.

- The School-Parent Compact given in the Fall to the student and parent will outline how everyone will share in the responsibility for improved student achievement.
- Parents will have an adequate opportunity to participate in all segments of parent involvement activities.

E. DISSESSION PROCESS
