## HISD to hold final Parent University session of the year on March 28

**WHAT:** The Houston Independent School District's Parent University holds its final session of the 2019 spring semester on March 28.

The district-wide initiative was launched last September with a mission of connecting HISD parents and children to resources that support successful academic careers, as well as safe and healthy environments at home and at school.

"It's been an exciting inaugural year for Parent University," Interim Superintendent Grenita Lathan said. "We have been able to dialog with parents all over the district and instruct them on things that matter to them - like helping their children overcome learning disabilities or behavioral challenges; making headway on dreams of home ownership; or connecting them with needed social services."

As with all Parent University sessions, free dinner, interpretation services, and childcare will be provided. Parents may register and obtain location information at: [HoustonISD.org/ParentUniversity](https://HoustonISD.org/ParentUniversity).

Parents may attend any location.
