Principal Love discussed the goals for the SDMC for the 2017-2018 school year. Members decided that we would use the SDMC as a tool to gather information about the school's business and members would provide agenda items prior to meetings.

Principal Love gave an overview of the Leader In Me and Codwell's goals for Year 3 of implementation.

The School Improvement Plan was reviewed and discussed. Mrs. Alix provided feedback on ways parents could become more involved to help with the school's reading goals.

The school's projection and budget was discussed. The school was close to meeting projections which means there was no risk of losing funding or teachers. There was a request for Targeted Assistance Funds for additional technology, instructional support and a math program. Since we are out of Improvement Required (IR), district resources are not as abundant so the Targeted Assistance Money will assist in supporting teachers and students.

The 2017-2018 meeting dates were set for November 8<sup>th</sup>, January 17<sup>th</sup>, March 21 & May 9<sup>th</sup>.

The meeting was adjourned at 4:57 pm
