

2020 – 2021 Bush ES Registration Timeline

There will be four types of registration for the upcoming school year. Below is the order for registration, starting with the intent to re-enroll for current Bush students.

- Intent to re-enroll for currently enrolled PK – fourth grade Bush students – **In process**
- Kindergarten sibling registration for siblings of currently enrolled PK – fifth grade Bush students – **In process**
- Kindergarten registration for zoned families new to Bush (Only kindergarten students, if siblings in other grades, then the 1st – 5th grade siblings will be registered during the next registration time.) **Mid to late May**
- Registration for zoned families new to Bush Elementary for entering grades first – fifth and any new kindergarten students that missed the previous registration time. **Not before June 3, 2020**

All the registration paperwork along with a list of required documents will be posted online once we have set the exact dates the registration process will start.

We will post the information on the website once we set the exact dates.

****Once the dates are announced, they will be subject to change as we must follow all guidelines established by HISD, the city of Houston, Harris County, the state of Texas, and Mother Nature. As you can tell, there are numerous official and natural entities that can cause our dates to change, so please be flexible and patient. If dates must change, then the new dates will be posted on the Bush website.***

****Bush Elementary is an over-crowded campus and does not accept transfers. All current and prospective students must reside in the Bush Elementary zone at time of registration and for the entire 2020 – 2021 school year starting on the first day, August 24 at 7:30 a.m.***
