National Junior Honor Society Induction Ceremony

The National Junior Honor Society (NJHS)

The National Junior Society (NJHS) is the nation's premier organization established to recognize outstanding middle school students. More than just an honor roll, NJHS serves to honor those students who demonstrate excellence in areas of Scholarship, Leadership, Citizenship, Service and Character. These characteristics have been associated with membership in the organization since its beginning in 1921.

Today, it is estimated that more than one million students annually participate in activities of NJHS and its high school counterpart National Honor Society (NHS). NJHS chapters are found in all 50 states, the District of Columbia, Puerto Rico and Canada. Chapter membership not only recognizes students for their accomplishments, but also challenges them to develop through involvement in school activities and community service. Both NJHS and NHS were founded by and are programs of the National Association of Secondary School Principals (NASSP).
