- **Attendance/Monthly Incentives/Classroom Goals**
- **Safety/Classroom/Hallways/Dismissal**

SDMC Minutes

December

Attendance:

Ms. Lozano- Special ED

Ms. Collins – Teacher Specialist

Ms. Reed -Teacher

Mr. Jimenez - Teacher

Ms. Kinnibrew – Teacher

Ms. Morris- School

Counselor

Budget

Small group intervention: To support classroom teachers, the SDMC committee decided to identify scholars in need of small group intervention. The scholars would receive at least three hours of weekly intervention for HB4545.

ESSER Funds/New Hires/ long-term associates: Because of a joint effort in collecting PEIMS data, we received additional funding. We will hire long-term associates to provide support, cover classes, and pull-out struggling scholars.

Classroom materials: Teachers will receive an email regarding the opportunity to request additional instructional materials to address the needs of their scholars. The items will be used for intervention and tutorials.

Instructional Best Practices: Each grade level lead teacher will remind their team of the importance of the instructional method at Benbrook. Teachers are required to utilize I Do, We Do, and You as well as QSSAR instructional practice daily. The admin team will follow-up to make sure this is occurring in every classroom.

Writing in all Content: All teachers are required to write across each content. Each teacher is required to submit weekly writing samples to Ms. Darden. The writing supports TELPAS and STAAR Writing.

Attendance/Monthly Incentives/Classroom Goals: To increase our attendance, we will implement a new incentive that allows any scholars with perfect attendance for each month the opportunity to receive a treat weekly. Parents will receive a calendar explaining the incentive. Each classroom will set a monthly attendance goal. Any class that meets their goal will receive a classroom prize.

Safety/Classroom/Hallways/Dismissal: a concern was raised regarding the importance of placing high priority around safety. All classroom doors must be locked at all times. Everyone will adhere to using CHAMPS and 3SL in the hallways. Admin and ancillary staff will be at different dismissal areas to monitor area and make sure the correct gates are being used.
