

Greetings,

Major Concerns

Title I Budget Reduction

We had a Title I budget reduction over 20,000.00 Reminding teachers of the importance of getting Ms. Cantu's authorization before signing-up for trainings.

Ms. Torres asks about the trainings

Saturday tutorials are not guaranteed – it all depends on budget. Right now, 5<sup>th</sup> grade is staying twice a week for afterschool tutorials but in the spring, we might have to double up.

Ms. Cervantes asked if it would be possible to only do Saturday tutorials instead of afterschool since more can get done on a Saturday rather than an hour a day.

Mr. Sanchez is talking to 3<sup>rd</sup>-5<sup>th</sup> regarding test materials and Spanish books for upper grades.

SIP has not changed. Data from the formative assessments will be pulled and shared at our next SDMC (November).

Fall festival will be moved to indoors due to weather. Ms. Rincon has been talking to all team leads to go over the plan and locations. If a location does not work, please let Ms. Rincon know so we can accommodate. Maps (smaller) will be printed and given to parents when they buy the tickets. There will also be maps posted around the school for parents to know where they can go.

Raffle items will be on the stage for display for those that want to participate in. The raffle will start mid-November (Thanksgiving Luncheon) and will end on the holiday program.

\$25 gift cards were donated by Friends of Eastwood Park

Color copiers were supposed to come in this week, but Ms. Cantu has been notified that there are issues, so we are hoping to get them soon.

Ms. Espinoza motioned to adjourn the meeting and Ms. Archelus seconded. 3:32pm
