Summer Retreat

Ms. Garrido met with the committee to discuss the Summer Retreat. This will be a 2-day retreat to prepare for the SY 2021-2022. Day 1 will be for SDMC members only; the committee will work to develop the School Improvement Plan draft. This is a responsibility of the SDMC.

Day 2 of the retreat will additionally include invited teachers and will encompass work with Ms. Garrido in developing the vision and expectations for the upcoming school year. Teacher input is valuable in also producing the structures needed to have school-wide alignment focused on high student outcomes for the 2021-2022 school year.

Ms. Garrido will provide a packet of information to participants before the retreat so that teachers can review and be ready for the work during the retreat. She also stated that Extra Duty pay will be provided. Ms. Garrido asked Ms. VandenBerghe for a list of things she, as parent representative, would like to be included in our plans. She agreed to do so before the end of this school year.

The dates for the Retreat are:

- July 9, Friday
- July 15, Thursday
- July 16, Friday (if needed)

Hours will be 8:30 a.m. to 3:00 p.m. with a 45 minute lunch break.

No other topics were discussed and there were no questions from the committee.
