

The Rice School Compact

2022-2023

We know that learning can take place when there is a collaboration of effort, interest, and motivation. The Rice School and the parents of the students participating in activities, services, and programs funded by Title I, Part A of the Elementary and Secondary Education Act (ESEA), agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improving student academic achievement. The school and parents will build and develop a partnership that will help the students achieve Texas' high academic standards.

This is a promise to work together. We believe that this agreement can be fulfilled by our team effort. Together we can improve teaching and learning. This school-parent compact is in effect during school year 2022-2023.
