

SDMC Meeting Notes 1/14/20 3:30-4:47

Principal Dudley

Ms. Tillery

Ms. Bayne

Mrs. Dudley begins the meeting by talking about instructional practices

*Ancillary Adjusted Times because of safety issues

*4th and 5th plan together instead of 3rd-5th

Ancillary ends at 12:50 so at 1:00 inventions are taking place

2nd-5th are getting interventions

\$38,000 has been requested but not approved

5th grade-Bayne has been placed in the classroom

Mading is not where we need to be the scores have dropped because of the changes

Planning for math and reading have been planned for the next 3 weeks.

Science is in a great place-1 point away from getting an A

Writing is 2 points away

Trice (Contract Agency-Intervention) pulling Tier 1 and Tier 2 for focus

We don't have tutorials on the campus

Parents can volunteer through VIPS for one hour to cover the ACE program to tutor

4:06 p.m. Dr. Brown, Ms. Sonny and Ms.

Parent engagement

Academic for an hour during after-school

2 hours for extracurricular activities

Lexia Core 5 in after-school program

Read to Lead Computer Program

Check the Budget for the 1 hour

Folkloric an idea that will take place until May during after-school program to assist with parent engagements

Upcoming Programs for Interventions

Look at Budget

Volunteers Needed (University of Houston and TSU)

Worthing Principal to request for volunteers
