

What is a Family-School Compact?

A Family-School Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to ensure students reach or exceed grade-level standards.

Effective compacts:

- Link goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop their skills using high quality curriculum and instruction
- Share strategies parents can use at home
- Explain how teachers and families will communicate about student progress
- Describe opportunities for parents to volunteer

Jointly Developed

The parents, students, and staff on Hartsfield Elementary meet yearly to discuss student needs based on current grade level data, teacher input, and parent observations. The School-Parent compact is revised based on these discussions

Please join us...

Literacy Night: September 27, 2022
