What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and school develop together. It explains how we will work together to make sure all our students reach or exceed grade-level standards.

The compact explains what families and schools can do to make a connection for the student between the two “worlds” they live in, home and school. This is to assist the student with realizing their goals in becoming lifelong learners and future leaders in a 21st century global society

School Goals

This year Deady will work on continuing to increase the number of students who meet or master state standards in all academic areas through increased concentration in a variety of literacy strategies. This includes teaching students to think and write at higher levels through constructed responses across the curriculum. We will also focus on enhanced social emotional skills as part of student success and to address the whole child.

Held at 9:00 a.m. once a month on Thursday on Microsoft Teams.

The following are the meeting dates:

- October 8, 2020
- November 12, 2020
- December 10, 2020
- January 14, 2021
- February 11, 2021
- March 11, 2021
