

**Andrew Casler, Principal**  
*Amy Ford, Assistant Principal*  
*Melanie Hines, Assistant Principal*  
*Carrie Botello, Magnet Coordinator*  
*Wendy Paule, Teacher Specialist*

### **SDMC Meeting Minutes November 1, 2023**

At 2:30 the meeting began.

Mr. Casler discussed and reviewed the SIP with attendees. Mr. Casler reviewed the action plan which included LO's and DOL alignment, Math and Reading goals, and campus demographics and needs assessment.

After reviewing these areas Mr. Casler opened the floor to questions.

Ms. Patel asked if forced distribution would be used as a tool to measure MAP Progress and if so how it would be applied. Mr. Casler responded that he has not been given that information and once information is communicated, he would inform the committee.

Mr. Roberts asked if this CNA was different from the prior weeks SIP and if this was a redundant meeting. Mr. Casler responded that he was providing information from the district who edited and fine-tuned the previous week's information provided.

Mr. Casler asked if there were any more questions and at that time, no one had any further questions and the meeting was adjourned at 2:54p.m.
