1. Review of cycle 1 failure rate
 - 44% failing 1 class
 - 24% failing more than 1 class
 - Let's break this number down to see how many are electives and how many are core classes.
 - This cycle was not the full three weeks; possible impact on grades
2. Student Planner
 - Contents of the planner
 - Going through the planner during students elective class
3. Attendance Goals
 - We would like to be at 93%
 - How can we get there & stay there
 - Keeping track of students that are physically on campus
 - Teacher/Staff accuracy
 - Incentives for students
4. Window Options
 - Privacy Screen for safety on the front doors with the crest – voted and agreed on
 - Privacy screen for safety reasons on the front windows – voted and not agreed on
