

HISD PRESS RELEASE

HISD announces new food distribution sites for week of April 13

April 9, 2020 – The Houston Independent School District will continue food distribution efforts at 25 sites throughout the district during the week of Monday, April 13.

Food will be packed by HISD Nutrition Services staff at the Hexser T. Holliday Food Services Support Facility and then delivered daily to each site, in alignment with our updated procedures and safety measures. Each site can distribute up to 500 bags — or 15,000 pounds of food — per day.

As families arrive, staff will minimize contact by filling out required forms for families and placing food in their trunks. Those who walk to the sites also must adhere to strict social distancing requirements.
