HISD updates food distribution site for April 16

April 14, 2020 – As the Houston Independent School District continues its food distribution efforts throughout the district, there has been an update to one of Thursday's distribution sites.

Hartsfield Elementary School, 5001 Perry St., will now host a food distribution site at 9 a.m. Thursday, April 16, replacing Cullen Middle School, which has since been designated as a COVID-19 testing site for the city. All other sites for this week remain the same.

Although the site has changed, participants must still adhere to the same guidelines for food distribution. As families arrive at sites, nutrition staff will minimize contact by filling out the required Emergency Food Assistance Program forms for families and placing food in their trunks. Participants who walk to the sites also must adhere to social distancing requirements.

Thursday, April 16

- Hartsfield Elementary School, 5001 Perry St., 9 a.m. (Updated)
