HISD announces new food distribution sites for week of April 20

April 16, 2020 – The Houston Independent School District is extending its food distribution program through the week of April 20 and announces 25 new food distribution sites throughout the district.

Nutrition Services staff will continue to pack food bags at the Hexser T. Holliday Food Services Support Facility and deliver them to the distribution sites. Each site can distribute up to 500 bags — or 15,000 pounds of food — per day.

As families arrive at sites, nutrition staff will minimize contact by filling out the required Emergency Food Assistance Program forms for families and placing food in the trunks of vehicles. Participants who walk to the sites also must adhere to social distancing requirements.
