HISD announces new food distribution sites for week of April 27

April 23, 2020 – The Houston Independent School District will operate another 25 food distribution sites throughout the district during the week of April 27.

The food distribution efforts will continue utilizing Nutrition Services staff to pack food bags at the Hexser T. Holliday Food Services Support Facility and deliver the food to the distribution sites. Each site can distribute up to 500 bags — or 15,000 pounds of food — per day.

As families arrive at sites, nutrition staff will minimize contact by filling out the required Emergency Food Assistance Program forms for families and placing food in their trunks. Participants who walk to the sites also must adhere to social distancing requirements.
